May Crowning held on Mothers Day Weekend.

During the Month of May -- a month both named for, and dedicated to, Mary -- Catholics have long honored her by placing a crown on her image. The tradition in the United States and many other countries has been for school children to have a "May Crowning" ceremony, with a procession, pretty dresses and a wreath of fresh flowers that one child gets to place on the statue.

On Mother's Day weekend we will ask two lucky First Communicants to Crown Mary at Mass. If you would like to take part in this special honoring of Mary please let Andy know.

This is a great opportunity for the children to take part in the Mass and to wear their special First Communion clothes!
