

2018 Middle School Retreat Information and Registration

Retreats are a great way to spend time in prayer, have fun with friends, and deepen ones relationship with God. This is why at St. Mary's we expect that Middle School youth **attend at least one retreat each year**. Retreat experiences are key in helping your child build a personal relationship with Jesus. Your support is very much appreciated.

Registrations should be turned in by the Wednesday before the retreat. The focus of the retreat this year will be "**Freedom**", we will talk about the freedom that one feels when they have a relationship with Jesus and rely on that relationship in everyday life, and "**Cross Fires of Faith**", we will look at relationships youth have with friends and how to "live their faith" when others are not.

The Spiritus team from Mt. Tabor Retreat Center in Menasha will be our retreat here in the lower level of St. Mary Church. They are a vibrant group of young adults that provide a very positive retreat experience. For more information on Spiritus visit

<http://www.spiritusonline.org>.

If you have questions or concerns please contact Andy at 582-7712 or

andy.krueger@stmarychurches.org

Registration is required for planning; please return registrations by the Wednesday before the retreat you wish to attend.
