Youth In Action Opportunities: Middle School and High School youth are invited to attend these events that will provide ways to put our faith in action; to be the hands and feet of Christ in our world today. Most dates will follow Sunday Mass. A registration form will be provided and required to participate.

November 4, November 5th, November 11, December 3, February 18, March 10, March 9, March 20. Another great way to get involved is to volunteer at Mass. Talk to Andy to learn more or contact the office to learn about scheduling.

Our goal is to provide ways to grow in our Catholic faith and to foster a connection to your church community through fellowship, learning, service and fun. Please join us for the extra events like Mass and social events throughout the year; just like you would participate in other activities your children are involved in. You attend sporting events, theater, choir, band to show your support and we

hope you will consider this another way to support your children. Your involvement at church events and opportunities is so important and indicative of how your child will respond when attending class and other events. This must be a family experience. Parents are the number one educator. Your children learn so much by your modeling.

Staying Connected:

- Please make sure to sign up for **TEAM REACH**. This is a great way to communicate. Watch for an email with codes.
- Communication will come to you via email, the bulletin, Team Reach, notes in folders and from Facebook. **Not receiving emails from Andy? Make sure we have your correct info on file.**
