Elementary Gathering Share Pages

CREATING A COMMUNICATIONS HABIT

In this Gathering, we will be learning about the Saints and the role they play in our Catholic faith. As Catholics, we believe that the Saints, our Heavenly role models, can pray with us and help those here on Earth who ask for their help. The lives of the Saints give us many good examples of how to live out our Catholic faith. We can use their lives and examples as a source of inspiration in our own lives as Catholics in the 21st century.

“A Saint is a sinner who keeps on trying.”

-Bl. Mother Theresa of Calcutta
